Notice of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or

telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If the claimant or Covered Person is incapacitated within the 90 days after the loss, must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number. All claims must be submitted within 90 days from date of incident, or they will be denied. Circumstances may exist in which this is not always possible. Any submissions after 90 days will be considered based on those circumstances.

Claim Forms: Upon receiving written notice of claim, We will provide claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss and give authorization to release medical records.

Proof of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted if it is sent later than one year from the time proof is otherwise required.

Proof of Eligibility: A claimant must provide Us or Our authorized representative with written proof of eligibility as outlined in this policy, at time of Claim. Proof of Eligibility is required prior to any payment of a Claim.

Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment of Claims: Benefits for loss covered by the Policy, other than benefits that require periodic payment, will be paid not more than 60 days after We receive proper written proof of such loss.

Beneficiary: The Insured may designate a beneficiary. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it.
